Idea Center-My Kitchens

Home Depot has passed the responsibility of keeping the vignettes current pricing updates to the designer.

An editable template can be found on your My Apron as seen to the right.

Use the Idea Center to save your Showroom Vignette designs for future pricing.

Drag a box around
 the Vignette design
 so that all parts are
 highlighted.

Click - File / Idea Center / Save to Idea Center.

Name your display for your Manufacturer, door style and finish so you will recognize it when you have to reprice your vignette in ESVS.
