Peninsula Modification w/Two Glass doors

Adding a Peninsula Modification to cabinets in 2020 is easy. Adding Doors with inserts or prepped for inserts can be a small challenge if you only want solid doors on one side. *Decora makes it easy allowing you to select what type of door you want on each side. This is how you do it with Thomasville. Place your cabinet on your floor plan and in attributes select the following: Peninsula, MIP, CBO.

ITEMS							
#	Qty	Usercode	Manuf Code	Type	Catalog	Price	Finished Side
1	1	W3030	W3030		HDTHO91_24		Both
1.1	1	CBO-W	CBO-W		HDTHO91_24		Both
1.2	1	P	P		HDTHO91_24		Both
1.3	1	MIP	MIP		HDTHO91_24		Both
2	4	W3030	W3030		HDTHO91_24		None
Hinge Pair							
3	1	.W3030	.W3030		HDTHO91_24		None
Right Door							
4	1	.W3030	.W3030		HDTHO91_24		None
Left Door							
5	1	.W3030	.W3030		HDTHO91_24		None
Right Glass Door							
5.1	1	CG+CLEAR30	CG+CLEAR30		HDTHO91_24		None
6	1	W3030	W3030		HDTHO91_24		None
Left Glass Door							
6.1	1	CG+CLEAR30	CG+CLEAR30		HDTHO91_24		None

You will then have to select your doors using the .W3030 nomenclature to select your parts. Add parts to your items list and don't forget your hinges!

Add the CG+Clear30 Mod using the drag &

drop to, on each of the 2 doors if you want clear glass.
It's Easy!
