Carlisle Horizontal Melamine Textured Feather

PG.7

- Door, drawer fronts and appliance fillers will have horizontal grain, to a limit of 48" in height. Appliance fillers greater than 48" will have vertical grain
- Door panels are 3/4" melamine cover particle core
- All finishes have Matching Melamine ends standard (pg.22)
- Textured Melamine finishes are exclusive to the Carlisle door for on-trend designability. View these 9 finishes on Door Visualizer in Designer Handbook

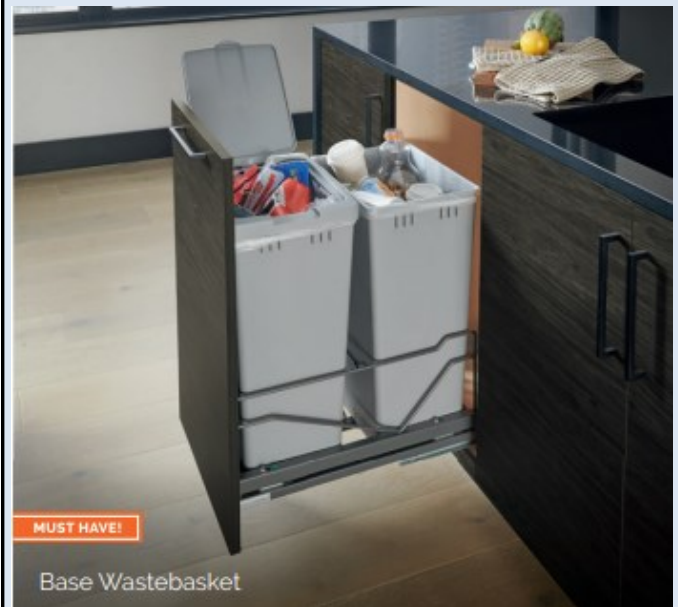

| Construction Specifications/Options: | |
|--------------------------------------|-------------------------------------|
| White Interior | <input checked="" type="checkbox"/> |

What Designers are saying about Thomasville Nouveau:

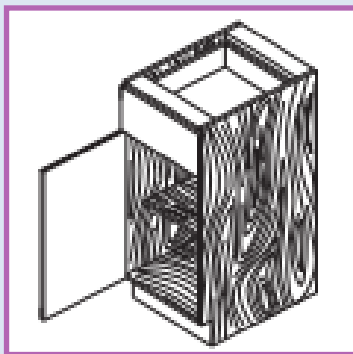

“Nouveau has lots of unique finishes that the others lines don’t have”.

Kristen Osborne HD2318 Bowling Green, KY

Modifications

MMIE-matching melamine interior and exterior

PG. 39

- Interior and exterior of cabinet matches the door finish
- This option is only available in finishes with matching ends standard
- See finish availability charts for matching end availability (pgs. 18-23)
- For other species, finish combinations, or solid colors, use the MIE modification

Look for this Custom Modification Chart

Embellishments

RSM96-round soffit moulding

PG.381

- This round soffit moulding is the perfect finish moulding for above the Carlisle door style. Note, however that all Melamine mouldings will feature a smooth texture.
- **To avoid mispriced items, *Always* check the Species Availability chart to make sure your selection is available for the species your working in. No checkmark means Not Available. 2020 will not discriminate.**
